**NOTE CHANGE IN DATE DUE TO SNOW ON 6TH!!!**

The start and finish points are adjacent with parking alongside all on hard ground in car park. You are strongly advised to arrive early on the day of the event to practice the course before your race.

An open event for all abilities riding mountain bikes. No club membership or licence required.

**HARD SHELL CYCLING HELMET MUST BE WORN AT ALL TIMES.**

Pre-entries on the form right or online must be received by the TUESDAY preceding race day. Postal pre-entries received after this date and day entries will be subject to a £2 late entry charge and race numbers will not be available at ENTRY FAST LANE. Pre-entered riders will collect their race numbers from "FAST LANE" without having to queue.

**You are advised to pre-enter as it saves queuing on the day.**

Category changes will be charged at £2 on the day but are free up to the closing date for entries. A new entry form must be completed for each change. Race registration opens at 8.15am for the collection of race numbers and for entries on the day. You are advised to register at least one hour before the race time, which will allow you to pre-ride the course. The course is available for pre-riding from 8.30am on race day only and you may pre-ride during the event but must give way to those who are racing. The course lap will be approximately 5 miles in length and will be clearly marked with orange arrows, red and white tape and where applicable footpath crossing signs. Race starts will be announced over the PA system but you are responsible for being on the start line on time. Full results will be available to view after each race and posted on our website during the evening following the event. Trophies will be given to the first three in each over 17 years category which will be engraved with the winners names. Certificates will be provided for all under 17 years groups and available for collection. Trophies will not be posted. Full computerised results of the day will be on the web site. Race commentary, hot and cold refreshments, trade stands, toilets, free parking and photographer will be provided on the day. St. John's Ambulance will be in attendance and the course patrolled by marshals. Where the course meets a footpath, the crossing is marked as a non-competitive zone and riders must give way to other land users. This event takes place on private land and future use may be jeopardised by riding other than on race day.

**Organised by the Rotary Club of Chichester Priory**

All proceeds go to local charities.
